

PROMIS 4.17 Training

[Clinical Trials/Studies and Clinical Trials/Studies Report](#)

Background:

The Clinical Trials module will be moved into PROMIS 4 and retired from Classic.

Navigation:

For the Clinical Trials/Studies module: *PROMIS 4 > Patient Overview > Pt. Info > Clinical Trials/Studies*

For the Clinical Trials/Studies report: *PROMIS 4 > Reports > Centre Reports > Clinical Trials/Studies Report*

Functionality:

Clinical Trials/Studies are displayed and sorted by the following columns:

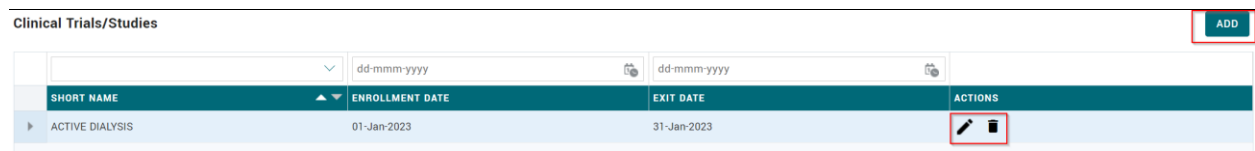

Short Name, Enrollment date, Exit Date and Actions.

Adding, Editing and Deleting a Clinical Trial/Study:

The *Add* button on the top right will lead you to a form where you could add a new clinical trial/study. Any trials/studies will be added to the Clinical Trials/Studies summary page.

The *Edit* button on the record of the study allows you to edit an existing study.

The *Delete* button allows you to delete a study.

SHORT NAME	ENROLLMENT DATE	EXIT DATE	ACTIONS
ACTIVE DIALYSIS	01-Jan-2023	31-Jan-2023	 

When adding a clinical trial/study, selecting a study short name from the drop-down list will auto-populate the trial's long name. Also, the *Exit Date* cannot precede the *Enrollment Date*.

Add Clinical Trial/Study

* Trial/Study Short Name ACTIVE DIALYSIS

Trial/Study Long Name Active Dialysis Study

Description A Multicentre, Unblinded, Randomized, Controlled Trial to assess Quality of Life, Clinical Outcomes & Cost Utility for Extended vs Standard Duration of Dialysis in Patients with ESRD.

Clinical Trial Start Date 18-Aug-2011

Clinical Trial End Date

Trial/Study Patient ID

* Enrollment Date 02-Jan-2023

Exit Date 02-Jan-2024
