

PROMIS 4.17 Training

Willing to Cross

Background:

In this upcoming release, we will be adding the field of *Willing to Cross* to the Recipient Immunology screen and the Recipient Immunology report.

Navigation:

For Recipient Immunology module: *PROMIS 4 > Patient Overview > Transplant > Recipient Immunology*

For Immunology report: *PROMIS 4 > Patient Overview > Results > Recipient Immunology > Immunology button*

Functionality:

The Willing to Cross values will be displayed in the Recipient Immunology screen and the Recipient Immunology Report as shown below:

Recipient Immunology Summary **IMMUNOLOGY REPORT**
