

## PROMIS 4.21 Training

### Deceased Donor Registration

*Background:*

All Donor modules will be moved into PROMIS 4 in this upcoming release including the Donor Registration module.

*Navigation:*

*PROMIS 4 > Donor Search tab > Register Donor*

*Functionality:*

To register a donor, click on the *Register Donor* link below the Donor search box. This will lead you to the Donor Registration page.

The *CBS* section is where you will indicate if consent has been received by the National Registry.

The *Potential Matching Donor(s)* section will list any potential matching donors already registered in PROMIS. You could use the *Populate Data Registration* or the *Go to Donor Chart* buttons from within this section as described below:

**Potential matching donor(s)**

**DDONOR, JACK**

<b>GENDER</b>	<b>PHN</b>
Male	
<b>DOB</b>	<b>DOD</b>
11-Nov-1961	15-May-2024

[POPULATE DATA TO REGISTRATION](#) | [GO TO DONOR CHART](#)

**Populate Data Registration:**

This feature under *Potential Matching Donor(s)* allows you to populate data from the registration information of a patient that is also being registered as a donor.

**Go to Donor Chart:**

This button under *Potential Matching Donor(s)* directs you to the Donor Overview page.
